THE PECK-WILLIAMSON UNDERFEED FURNACES AND BOILERS

Were living in perfect comfort all over the house. The Underfeed coal burning way—fuel fed from below—all the fire on top—insures as much clean, even heat from cheapest slack as highest priced coal which ordinary heating plants require. This enables Underfeed users to

SAVE 1/2 TO 3/4 OF COAL BILLS

Mr. J. E. Crider, President of the Crider Creamery Company, Fredonia, Ky., relates his Underfeed experience thus:

"We installed one of your No. 739 Underfeed furnaces in our 12-room home about two years ago. We have found the furnace very satisfactory indeed. The furnace is extremely economical, fires easily and the heat is quite evenly distributed throughout the various rooms. We use nut and slack coal for fuel with perfect results and much prefer the Underfeed to any heating device with which we are familiar."

Send for our FREE books about UNDERFEED Furnaces and Boilers and let us PROVE that it will pay you to discard old-fashioned heating methods and install the satisfactory divided-surface Underfeed. Heating plans and services of our Engineering Department all FREE. Write today.

MURDER UNRAVELED

Mrs. Henry Hall of Huntington Robbed and Murdered by Elbert Arliss, Now in Jail

HUNTINGTON, W. Va., August 11th.—Standing over the bier upon which lay the body of Mrs. Henry Hall, which was found in the Ohio river at Catlettsburg, bound up with a rope, Elbert A. Arliss, who was the last man seen in the company of Mrs. Hall, after being subjected to a third-degree examination, tonight directed the police to his home, where in a crevice \$300 which belonged to the woman was found.

The police learned that Arliss had paid a number of large bills during the past few days, and this furnished the robbery clue upon which he was arrested.

He denied any knowledge as to how the woman was murdered, but stated that she had given him the money.

Mrs. Hall left her home Tuesday afternoon with \$450 in her possession which she intended depositing in bank. She never returned and no trace of her was discovered until the body was found floating in the Ohio river at Catlettsburg with a long rope tied around it.

MAY PROVE FATAL.

When will Maysville People Learn the Importance of It?

Backache is only a simple thing at first; but when you know 'tis from the kidneys; That serious kidney troubles follow; That diabetes, Bright's disease may be the fatal end.

You will gladly profit by the following experience.

'Tis the honest statement of a sufferer who was cured.

Thomas Rusak, East Second street, Vanceburg, Ky., says: "I suffered from kidney trouble and inflammation of the bladder for over ten years, some of the attacks being so severe that I really thought I would die. A complete retention of the kidney secretions existed and I called a doctor who drew the secretions from me with an instrument. None but those who have gone through this can imagine the suffering endured. Some time ago I saw Doan's Kidney Pills advertised and I procured a box. Since using them I have had not had any trouble from my kidneys."

SCHOOLS IN 1910.

At 9 o'clock each morning
He left his parents' cot
And hastening to the schoolhouse
A city breakfast got.

Fast sped the morning session
And scholarly it proved.
While skillful city surgeons
His adenoids removed.

A manicure and masseur,
All by the city paid,
A barber and a valet
Each plied on him his trade.

When thus the hours of study
Had gone their way unchecked,
A five-course city dinner
His path of knowledge decked.

The city dentist's mercies
Wound up the afternoon,
And then a city tiffin
Came not a whit too soon.

The city left his parent
One duty to do well,
And so at night he labored
To teach him how to spell.

RATHER REMARKABLE

Leellie Bratton, a fifteen-year-old boy, living with his grandfather, Mr. Coleman Wilson, in the West End, had a narrow escape and a sensational experience yesterday afternoon. He was leaning over a well trying to dump a bucket of water, when he lost his balance and fell head first a distance of thirty feet to the bottom of the well, which fortunately held about four feet of water. The water acting as a cushion no doubt saved the boy's life. The only injury he sustained was a sprained ankle, and his escape is attributed to the possibility that in his descent he caught hold of the chain, thus lightening his fall. He has only a vague idea of how it really did happen.

Lady Learned About Cardui, The Woman's Tonic and is Now Enthusiastic in its Praise.

Mount Pleasant, Tenn.—"Cardui is all you claim for it, and more," writes Mrs. M. E. Rail, of this place.

"Cardui is worth its weight in gold. I recommend it for young and old."

Being composed exclusively of harmless vegetable ingredients, with a mild and gentle medicinal action, Cardui is the best medicine for weak, sick girls and women.

It has no harsh, powerful, near-poisonous action, like some of the strong minerals and drugs, but helps nature to perform a cure in a natural easy way.

FREE TO YOU—MY SISTER

Free to You and Every Sister Suffering from Woman's Ailments.

I am a woman. I know woman's sufferings. I have found the cure. I will mail, free of any charge, my home treatment with full instructions to any sufferer from woman's ailments. I want to tell all women about this cure—you, my reader, for yourself, your daughter, your mother, or your sister. I want to tell you how to cure yourselves at home without the help of a doctor. Men cannot understand women's sufferings. What we women know from experience, we know better than any doctor. I know that my home treatment is a safe and sure cure for Leucorrhoea or White discharges, Ulceration, Displacement or Falling of the Womb, Profuse, Scanty or Painful Periods, Uterine or Ovarian Tumors or Growths that also pains in the head, back and bowels, bearing down feelings, nervousness, creeping feeling up the spine, melancholy, desire to cry, hot flashes, weariness, kidney and bladder troubles where caused by weaknesses peculiar to our sex.

I want to send you a complete ten day's treatment entirely free to prove to you that you can cure yourself at home, easily, quickly and surely. Remember, that it will cost you nothing to give the treatment a complete trial; and if you should wish to continue, it will cost you only about 12 cents a week, or less than two cents a day. It will not interfere with your work or occupation. Just send me your name and address, tell me how you suffer if you wish, and I will send you the treatment for your case, entirely free, in plain wrapper, by return mail. I will also send you free of cost, my book—"WOMAN'S OWN MEDICAL ADVISER" with explanatory illustrations showing why women suffer, and how they can easily cure themselves at home. Every woman should have it, and learn to think for herself. Then when the doctor says—"You must have an operation," you can decide for yourself. Thousands of women have cured themselves with my home remedy. It cures all old or young. To Mothers of Daughters, I will explain a simple home treatment which speedily and effectually cures Leucorrhoea, Green Discharge and Painful or Irregular Menstruation in Young Ladies. Plumpness and health always result from its use.

Wherever you live, I can refer you to ladies of your own locality who know and will gladly tell any sufferer that this Home Treatment really cures all women's diseases, and makes women well, strong, plump and robust. Just send me your address, and the free ten day's treatment is yours, also the book. Write today, as you may not see this offer again. Address MRS. M. SUMMERS, Box H South Bend, Ind., U. S. A.
